

Master-Crafted

Some weapons and armor are crafted with such precision that they exceed the original specifications and designs in many ways. Any item crafted by a character with an 18- skill roll, who rolls a 3 on his skill roll has created a Master-Crafted Item. Weapons will have +1 DC, Armor has +1 DEF and the item will make full use of any special materials used in its construction. These should be noted in the Construct, but a character paying points for the item gets the improved version for the original cost.

Some examples of Master-Crafted items include:

[Brísingamen](#) - [Freya](#)'s necklace

[Gram](#) - [Midgardr Sigmund](#)'s sword

[Gullinbursti](#) - [Baldr](#)'s golden-hued jet-bike

[Gungnir](#) - [Odin](#)'s rune-carved spear

[Mjollnr](#) - [Thor](#)'s gravitic hammer
