Notes

Tall thin build with black hair and a moustache (thin, twirled out sideways). Monocle tends to swap eyes. Speaks with a SE London accent. Gestures a lot. A kind of CMOT Dibbler. Is quite possessive of his spell book. Tends to faint from casting magic. Doesn't like Coppers. Hates dogs. Normally wears street clothes (patched heavily) and Top Hat and monocle. Carries most stuff in cabinet bag except :-
Dice & loaded dice are in top pockets
Pocketwatch (guess)
Calling Cards in pocket
Silver Cross on chain around neck.
