Dronid

- **Dronid**, ancient home of the rival Presidency.
- **Dronid**, a perfect site for the Faction.
- **Dronid**, a culture already littered with time-active relics of the Great Houses.
- **Dronid**, whose natives have become partly dependent on the salvaged technology.
- **Dronid**, one of the most unashamedly corrupt worlds in the whole of the sentient continuum.

Safeguards left behind by the Houses ensure that the locals are unable to abuse this technology to too great a degree
