'Two Messiahs collide while the Spiral Politic sees its greatest ever prison-break...'

Two schoolgirls find themselves bothered by pagan monsters; the assorted cut-throats, marauders and war criminals of history come under new management; the (self-proclaimed) most dangerous member of Faction Paradox is let loose on the universe; young Justine witnesses a puzzling vision of beauty; Godfather Sabbath gives a new meaning to the term 'witch-hunt'; and two Messiahs collide while the Spiral Politic sees its greatest ever prison-break.
