

# Your Whole Life Behind You

You have more than a lifetime of memories, as you've been living in the City for many subjective years since your actual death. You start with 3 Hold. If you spend a [downtime](#) action [in the City](#) you may get an additional Hold. Spend a Hold to-

- Have been fully briefed on an NPC, location or item
- Know the manner of someone's death if they're [human](#)
- Know the location and time of a major event of your choosing
