	Improved Balance

2 Light warhorses and one riding horse.

Light Warhorse #1 : Rupert

A bit of a headstrong thug. Bigger and stronger than Tristram, but perhaps less intelligent. I have trained him to rear on command and to attack whatever is in front of him at the time (full attack action) and to use the Trample feat. He is my favourite lance horse. Level 0 | EXP: 149

Light Warhorse #2 : Tristram Slightly smaller than Rupert. He can come when called and is a better jumper than Rupert.

Riding Horse #1 : Genevieve A gentle soul, but can carry me for days. I have trained her to perform complicated dressage tricks.
