

Gil the Treacherous

"I tried to disable him. You know, a short chop to his forearm and he's out of the fight? But his neck got in the way."

"Run Away!"

"Trust me, it works every time. Just let the Egadsu grab you and the rest of us will attack while it's busy."

"I'll hold my ground as long as they're in front of you, and you're in front of me."

"It is always best to start running away early, before the rush. That way there are fewer bodies to trip over."

"There is no such thing as excessive violence."

"You go left, you go right, you go up the middle, you over there, and I'll stay here."

"It won't do you any good to hide behind the girl. She'll only stop 3 points."

"You're not through, until he's blue."

"Don't think of it as Murder. Think of it as Involuntary Euthanasia."

"Of course I'm having a good time. I'm winning."

"Why recover the bodies. Someone is just going to have to bury them again anyway."

"Why recover the body? I cleaned him out in the poker game last night."

"As far as I'm concerned, anyone slower than me is the rearguard."

"We could at least have a cease-fire long enough to loot the dead and wounded."

"Give you one good reason? I'll give you .45 good reasons."

"He turned around at the last moment just to make it look like I stabbed him in the back."

"Any way you look at it, we win. If we beat them, we get all the food. If we lose, it's just that many fewer mouths to feed."

"Shoot first and ask questions later. You get better answers."

"Some people are meant to give orders, and some people are meant to take them. Others we just have to shoot in the head. Nothing personal."

"One of these bullets has your name on it, and I'm going to keep firing until I find it."

"I know what to do. Let's send one of the disposable characters."

- Gil the Treacherous

"My loyal troop...you've come back to save me!"

- Captain Stora

"Actually, sir, we came back for your gun...."

- Gil the Treacherous

"I said interrogate the prisoner, Gil. Not ventilate."

- Derek

"I don't think he is going to talk. We'll have to kill him."

- Gil the Treacherous

"Maybe you should remove the gag first, Gil."

- Derek

“Just because we're supposed to look like Vissers doesn't mean we have to act like them.”

- Esteban Teller

“I'm just getting into character.”

- Gil the Treacherous

“Gil, you're going to pay your debt in bullets...our bullets.”
