

# N.O.R.S.E Characters

Characters should be built on 75 points + 75 points in Disadvantages.

The various **Star HERO** package deals cover many of the possible character types in a N.O.R.S.E. campaign. Certainly, the various organizations of the [Asgardr](#) suggest a good many more. Battle-suited AESIR, swift-flying VALKYRIE and the resurrected EINHERJAR are only the beginning. While led by women, NORN has hundreds of medics and technical personnel.
