

The Unseen Guest

By csyphrett ([original post](#))

Another 14th floor idea,

If room service is called for guests on the 14th floor, sometimes the food is gone, plates covered with glop, sometimes the food is on the floor covered with the green snot stuff. Chairs bang about at all hours of the night. Sometimes yowls of frustration can be heard.

The closest a perseon gets is a green glow that quickly becomes slime on the wall. Sometimes the glow will attack, and the observer is floored with green snot all over his body.
