

# Linda

By Mike Dean ([original post](#))

Linda is a pleasant-looking brunette woman in her early 30's. She is friendly and always sports a big, endearingly goofy smile. She perhaps looks a bit like Jane Adams. However, if she is ever bumped or jostled her head abruptly cants over at a sick, unnatural angle. A low cracking sound might accompany this.

If this occurs Linda does not speak or cry out, but quickly slips out of sight. She never loses her grin, though. If Linda is seen again, everything seems back to normal. (If jostled on purpose after the first event nothing happens, although if her skin is touched it may be cold and leathery.)

Linda is perhaps best seen only from a distance...across the lobby, on the other side of the hotel restaurant, etc.
