

# Ornery Old Coot

By sinanju ([original post](#))

A sixty year-old man in a wheelchair. He's bald as an egg and though confined to a wheelchair it is obvious that he was very tall. He is surly and uncommunicative, apparently feeling that life has served him badly. His suite in the hotel is filled with photographs, posters, albums (actual LPs!) and other memorabilia of the Summer of Love (the 60s), including pictures of the old man as a long-haired, wispy-bearded hippie (he's the very tall one).

The rooms also include a stuffed Great Dane wearing a collar with the name "Scooby Doo" engraved on it.

[This is an obvious play on the character Shaggy from the animated TV show *Scooby Doo*. - ed.]
