

The Ex-Con

By War Cry ([original post](#))

A notorious local legend of the infamous variety who recently got out of prison. His was a violent and evil past, well documented by the local papers and news media. Covered in scars, piercings, and tattoos, he immediately invokes fear and loathing in anyone and everyone he meets. The problem is, he has the same reaction. The baddest man in the history of the town is scared to death of someone (or something) out there.
