

Where Is The Family?

By i3ullseye ([original post](#))

This guy is always seen in the lobby, checking for messages for him or his family. he refers to his wife and kids, but they are never seen. Often, at night, he can be seen carrying small trashbags, very saggy, perhaps even soggy, down to the hotels incinerator. Whatever he is throwing out, little bits at a time, he is very guarded about.

And no one ever actually sees his family.
