

Arnulf's Multiplying Images

This spell, a variant of the *Mirror Images* spell, creates five duplicate images of the caster that mirror the actions of the caster perfectly, and constantly move around the area of affect. Unlike *Mirror Images*, if an attack would "kill" one of the duplicates, the image doesn't wink out, but rather splits into two new mirror images of the caster.

College: Information

Philosophy: Illusion

Special Effects: Arcane Magic, Information, Illusion
