Work has started on this section. I'm keeping track of what I add each update at the bottom of this page, most recent on top, so you can quickly find the newest entries.

Entries will contain the following information:

- Formats (Softcover, PDF, Hardcover)
- Author(s)
- Released (Month, Year)
- Cost (In US\$)
- ISBN
- Page Count
- Hero Designer Character Pack availability (and HD SKU#) **or** Publisher if not a DoJ Release.
- Common Abbreviations

After the information a review will be posted if available. I'll be adding the books as I get the time to do so, starting with the books that have reviews done already.
