[Back to xenos](#)

0 Stress: You are resistant to heat, low pressure and slashing harm.

1 Stress: You may jump forward a significant distance.

2 Stress: You can push yourself to do one of the following:

- a superhuman feat with your armor piercing claws
- sting with your armor piercing stinger.

A superhuman feat is one a human could not do unassisted, such as tearing apart metal doors. If you use your stinger, its poison effects creatures based on their biology and has no effect on Urbots.
