

The Heist!

The biggest heist of [Richter's](#) career, it all went off without a hitch. Meticulously planned, perfectly timed, he breezed past the alarms and scored the prize - but at the last, he was betrayed. Broke and on the run, one day he would get even.

- [Xiao Ling](#) was running security - the betrayer alerted her to Dirk and she set the guards on him. Xiao admired Dirk's skills, and bears no hard feelings.
- [Armitage](#) saved Dirk from the bounty hunters, and recognising his innate goodness and need for redemption, recruited him to the team.
- [Carson](#) healed Dirk to full strength - and therefore feels some responsibility for his future actions.
- [Kaine](#) spirited Richter to safety during his convalescence.
